

Lecture Section 01: MWF 10:30–11:20am

Classroom: Webster 113

Instructor: Pierre-Olivier Parisé (email: parisepo@hawaii.edu)

Office: Physical Science Building (PSB) 302

Office hours: TBA

COURSE DESCRIPTION

Multiple integrals, line integrals and Green's Theorem, surface integrals, Stokes' and Gauss' Theorems.

COURSE OBJECTIVES

Upon successful completion of Math 244 the student will have an understanding of topics listed above, be able to solve routine problems in a multidimensional setting, and be able to apply properly Green's, Stokes, and Gauss' Theorems to compute line integrals, or surface integrals.

Prerequisites: Math 243 or consent.

REQUIRED COURSE MATERIAL

Book: *Calculus*, 8th Edition, by Stewart (ISBN-13: 9781285740621).

Course website: <https://mathopo.ca/courses-website/MATH-244/MATH-244.html>. All the information about the course (like the schedule, important dates, lecture notes) is posted on the course website. All homework assignments and announcements are posted on the Laulima website.

IMPORTANT DATES

Refer to the schedule on the course website.

- Final:
 - December, 11th, 9:45–11:45am (classroom unknown yet).
- Non-instructional day(s):
 - Labor Day, September 4th.
 - Veteran's Day, November 10th.
 - The day after Thanksgiving Day, November 24th.

GRADING COMPONENTS

Your final grade will be calculated based on a weighted average of the following components.

- (1) **Summaries (10%):** There will be two summaries of the material of Chapter 12. The first summary is due on August, 25th, 6pm. The second summary is due on the week after the week we finish covering the material of chapter 15. The detailed instructions are available on Laulima, under the Assignments tab.
- (2) **Quizzes (10%):** There will be quizzes every week, at the beginning of each Monday lecture, starting on August 28th. Your best 14 quiz scores will be considered to compute your average.

- (3) **Homework (30%):** There will be homework each week assigned on each Mondays (starting on August, 21st) and due for the next Monday, before 6pm. The problems will be posted on Laulima under the Assignments tab. Your best 14 homework scores will be considered to compute your average.
- (4) **Final exam (50%):** There will be a final comprehensive exam as scheduled by the university on December, 11th, 9:45–11:45am. This exam is in-person.

LECTURES

If you miss a lecture, you are responsible for any assignments and/or announcements made. Unavoidable absences should be explained to the instructor. Office hours will not be utilized to re-teach material presented in a class missed. Also the lectures won't be recorded, but the notes taken in class will be posted on the course website.

MISSED ASSIGNMENT POLICIES

Policies for Quizzes: Attendance on the quizzes is compulsory; otherwise, a grade of zero will be recorded. Any student who has an excused, documented conflict with a test time must inform their instructor **within a week prior or after the quiz targeted** when possible. Late requests will either be denied.

For those students with an excused absence for a quiz, there will be a make-up quiz. **For any reason, the final exam cannot be taken ahead of the scheduled time.**

Conflicts arising from work or social obligations, or from personal travel plans do **not** qualify as excused absences. By registering for this course, you are agreeing to take all exams at the scheduled times.

Policies for homework: Late homework won't be accepted and will result of a mark of zero(0). If the guideline for a homework is not followed, at most 5% will be removed from this homework total points. The guideline is available in the Homework webpage of the course website.

Policies for Summaries: Late summaries are accepted, but 20% of the total points will be deducted for each late day.

Academic integrity: All students are expected to abide by the university's Conduct Code. Academic sanctions for dishonesty may include receiving an F in the assignment or receiving an F in the class. There may be additional administrative sanctions.

CLASSROOM POLICIES

Tablets can be used for note-taking only. During lectures, to respect the lecturer and your classmates, refrain from using electronic items, cell phones, music players, tablets, and laptops for any other purposes than note-taking.

Please arrive, be seated and ready to start each class on time. If you have a valid reason to leave early, please advise me before the class and try to sit near the exit to minimize disruption.

SOURCES OF HELP

KOKUA: I am happy to work with you and the KOKUA Program (Office for Students with Disabilities), if you need course accommodations due to a disability. KOKUA can be reached at (808) 956-7511 or (808) 956-7612 (voice/text) in room 013 of the Queen Lili'uokalani Center for Student Services. All course modifications must be arranged through KOKUA. You are encouraged to start this process as early as possible.

CONCERNS

If at any time during the semester you have any questions or concerns about the class, please contact me during regularly scheduled office hours or via email to make an appointment. You may also contact the following people:
