- (1) **Homework (20%):** There will be homework each week assigned on each Tuesdays (starting on January, 18th) and due for the next Tuesday, before 5pm. The problems will be posted on Laulima under the assignment tab and the solutions will be posted in the Homework webpage of the course website. You will upload your homework on Laulima, in the assignment tab. Your best 10 homework scores will be considered to compute your average.
- (2) **Summaries (10%):** There will be two summaries of the material of Chapter 12. The first summary is due for Tuesday, 18th, 5pm and the second summary is due for the next Tuesday after the week we finish the material of chapter 15. The detail instructions are available on Laulima, under the Assignments tab.
- (3) **Midterm exams (40%):** There will be two, closed notes, closed book, midterms. Each exam will have a duration of 75min. They will take place in-person on Thursdays (may change upon notice and due to COVID-19 restrictions). No extra time will be allowed. Midterms are not cumulative.
- (4) **Final exam (30%):** There will be a final comprehensive exam as scheduled by the university on May, 11th, 12:00pm–2:00pm. This exam is suppose to be in-person but it may change due to COVID-19 restrictions.

Office hours will not be utilized to re-teach material presented in a class missed. Also the lectures won't be recorded, and the notes won't be posted. It is your responsibility to stay up-to-date.

MISSED ASSIGNMENT POLICIES

Policies for exams: Attendance on the exams is compulsory; otherwise, a grade of zero will be recorded. Any student who has an excused, documented conflict with a test time must inform their instructor **within the two weeks prior to the midterm targeted** when possible. Late requests will either be denied or will result in an automatic deduction from the exam score. An absence due to a positive COVID-19 test result must be notified to the instructor prior to the exam date and is not subject to the previous 2 weeks rule.

For those students with an excused absence for a midterm, there will be a make-up exam which must be taken within two working days of the scheduled exam time (before or after). **The final exam cannot be taken before the scheduled time for any reason.**

Conflicts arising from work or social obligations, or from personal travel plans do **not** qualify as excused absences. By registering for this course, you are agreeing to take all exams at the scheduled times.

Past final exams can be found at <http://math.hawaii.edu/home/common-finals/244/>

Policies for homework: Late homework won't be accepted and will result of a mark of zero(0). If the guideline for a homework is not followed, at most 5% will be retrieve from this homework total points. The guideline is available in the Homework webpage of the course website.

Policies for Summaries: Late summaries are accepted, but 20% of the total will be deducted for each late day.

Academic integrity: All students are expected to abide by the university's Conduct Code. Academic sanctions for dishonesty may include receiving an F in the assignment or receiving an F in the class. There may be additional administrative sanctions.
