**Instructor:** Pierre-Olivier Parise (email: [parisepo@hawaii.edu](mailto:parisepo@hawaii.edu))

Office: Physical Science Building (PSB) 302

**Zoom Office:** coming soon.

Office hours: T 9:30–11:00am &amp; R 3:00–4:30pm

**Teaching Assistant (TA):** Dennis Le (email: [Led6@hawaii.edu](mailto:Led6@hawaii.edu))

Office: Keller Hall (Keller) 312

**Zoom Office:** coming soon.Office hours: MW 1:30pm–2:30pm

---

## COURSE DESCRIPTION

Review of precalculus material such as functions, plotting graphs of functions, basic operation with functions, etc. Limits and continuity. Derivative and applications. Integration and basic applications.

**Prerequisites:** A grade of C or better in Math 140 or Math 215 or precalculus assessment as specified by the department.

## COURSE MATERIAL

**Book:** *Calculus*, 8th Edition, by Stewart (ISBN-13: 9781285740621).

**Course website:** <https://mathopo.ca/courses-website/math-241/math-241>. All the information about the course (like the schedule, lecture notes, homework problems, and important dates) is posted on the course website.

**Online resources:** A MultiTerm e-Pack (WebAssign and online text for up to 4 years) is available directly from the publisher, Cengage. You can check at the UH bookstore for a lower price.

## IMPORTANT DATES

Refer to the schedule on the course website for a detailed schedule.

- Midterms:
  - Midterm 1 on March 10th.
  - Midterm 2 on May 3rd.
- Final: – May 11th, 12pm–2pm.
- Non-instructional day(s):
  - Spring recess from March 14th to March 18th.
  - Study day on May, 6th (No recitation and no lecture).

---

<sup>1</sup>For the first two weeks, we will meet by Zoom. See the details in the section Lectures and Recitations.

## GRADING COMPONENTS

You will be required to scan and upload your solutions to the homework on Gradescope (<http://gradescope.com>, entry code **BPNBW7**).

- (1) **Midterm exams (40%)**: There will be two(2) midterms exams. Each exam will have a duration of 75min and will be in-person (the situation may change due to the COVID pandemic). No extra time will be allowed. Midterms are not cumulative.
- (2) **Final exam (30%)**: There will be a commun final exam as scheduled by the university on May 11th, 12pm–2pm. This exam is cumulative and will be in-person.
- (3) **Homework (15%)**: There will be homework each week assigned on each Tuesdays (starting on January, 18th) and due for the next Tuesday, before 5pm. The problems will be posted on the course website on the Homework webpage. If the guideline for a homework is not followed, at most 5% will be retrieve from this homework total points. The guideline is available in the Homework webpage of the course website.
- (4) **Worksheets (15%)**: There will be worksheet each week assigned during recitations (starting on January, 18th). For the first two weeks, your solution must be uploaded to Gradescope at the end of the recital (you will have 15 minutes to do it). If a worksheet is not uploaded or hand-out at the end of the recitation, it will result in a mark of zero(0) for this worksheet.

Evaluation	Number	% average
Midterms	2	40%
Final	1	30%
Homework	13	15%
Participation	13	15%
Total	29	100%

## LECTURES AND RECITALS

Lectures will be on Tuesdays and Fridays, from 1:30pm to 2:45pm. For the first two weeks of the semester, the lectures will be online on Zoom. Here is the link to the Zoom room:

**Join Zoom Meeting MATH 241**  
<https://hawaii.zoom.us/j/99065268790>  
**Meeting ID: 990 6526 8790**  
**Passcode: 940810**

The situation will be reevaluated after two weeks. If possible, we will meet in-person in Keller 302.

There will be recitations giving by the TA each Thursdays. For Section 08, you will meet on Zoom from 10:30am to 11:20am and for Section 09, it will be from 9:30am to 10:20am. Here is the link to the Zoom room for the recitations (it will change):

**Join Zoom Meeting Recitations**  
<https://hawaii.zoom.us/j/96757948071>

**Meeting ID: 967 5794 8071**  
**Passcode: 290633**

The situation will be reevaluated in two weeks. If possible, you will attend in-person the TA recitations in Keller 402 (section 08) and in Keller 302 (section 09). All students are expected to attend and participate in their respective recitals and take their own personal notes.

If you miss a lecture or recital, you are responsible for any assignments and/or announcements made. Unavoidable absences should be explained to the instructor. Office hours will not be utilized to re-teach material presented in a class missed. Also the lectures won't be recorded, and the notes won't be posted. It is your responsibility to stay up-to-date.

#### MISSED ASSIGNMENT POLICIES

**Policies for exams:** Attendance on the exams is compulsory; otherwise, a grade of zero will be recorded. Any student who has an excused, documented conflict with a test time must inform their instructor **within two weeks prior to the midterm targeted** when possible. Late requests will either be denied or will result in an automatic deduction from the exam score.

For those students with an excused absence for a midterm, there will be a make-up exam which must be taken within two working days of the scheduled exam time (before or after). The two best exams (out of three) will be considered to compute the 40% of the course average. If you are unable to take a midterm for a valid reason, then the two other midterms will count for 40% of the course average. **The final exam cannot be taken before the scheduled time for any reason.**

Conflicts arising from work or social obligations, or from personal travel plans do **not** qualify as excused absences. By registering for this course, you are agreeing to take all exams at the scheduled times.

Past final exams can be found at <http://math.hawaii.edu/home/common-finals/241/>

**Policies for homework:** No late homework accepted. A deduction of 15points per late day will be deduced from the homework total grade.

**Academic integrity:** All students are expected to abide by the university's Conduct Code. Academic sanctions for dishonesty may include receiving an F in the assignment or receiving an F in the class. There may be additional administrative sanctions.

<https://www.hawaii.edu/policy/index.php?action=home&policySection=ep>

#### CLASSROOM POLICIES

Tablets can be used for note-taking only. During lectures, refrain from using electronic items, cell phones, music players, tablets, and laptops for any other purposes than note-taking.

Please arrive, be seated and ready to start each class on time. The classroom door or the Zoom meeting will be locked at 1:30pm. No one will enter after this time. If you have a valid reason to leave early, please advise me before the class and try to sit near the exit to minimize disruption.

## SOURCES OF HELP

**KOKUA:** I am happy to work with you and the KOKUA Program (Office for Students with Disabilities), if you need course accommodations due to a disability. KOKUA can be reached at (808) 956-7511 or (808) 956-7612 (voice/text) in room 013 of the Queen Lili'uokalani Center for Student Services. All course modifications must be arranged through KOKUA. You are encouraged to start this process as early as possible.

**More:** There is also tutoring available at the *Learning Emporium*, hosted by the College of Natural Sciences. Details will be posted when available.

## CONCERNS

If at any time during the semester you have any questions or concerns about the class, please contact me during regularly scheduled office hours or via email to make an appointment. You may also contact the following people:
